

Seminars in Field Instruction – SIFI

All Field Supervisors, especially new ones, are encouraged to complete the Seminar in Field Instruction (SIFI). This year, Boston College GSSW will offer two seminars. One will be held on Wednesday evenings at the Chestnut Hill Campus; the second on Tuesday mornings at YOU Inc. in Worcester. Please refer to the dates below and register for the seminar which works best with your schedule. Class size is limited so we encourage early registration.

The seminar is free of charge and provides 18/12 Continuing Education Units (CEUs). Participants must attend 80% of the sessions in order to meet the CEU requirements and a certificate of completion is awarded.

The *New England Consortium of Graduate Field Education Directors (NECON)* collaborates on the development of this seminar. If you are unable to attend the Seminar at Boston College, you may take one offered at another New England school of social work. Seminars are being offered at Boston College, Boston University, Simmons College and Springfield College. For a complete schedule please visit the NECON website at: <http://www.neconsortium.com/>. You should contact the school directly to register for their seminar.
